Welcome back to the Spectrum for our opening home league match. This evening we welcome our friends from Abbey Rangers who will for certain provide stiff opposition. Abbey are a model club in showing how to rise from intermediate football both on and off the pitch. Making that transition with your own home ground is not easy. But now their facilities are second to none and their team is fully competitive. Chairman Denis Healy and his committee may well still have forward thinking plans and as a club they are to be congratulated.

Our season finally got under way, complete with Covid restrictions, last week in the FA Cup. What a night it was here at the Spectrum. The 150 crowd provided a great atmosphere and the quality of the football on the pitch was appreciated by everybody. We had a number of neutrals present and it was gratifying to see their positive comments on social media. A big thank you is due to my committee colleagues for the huge amount of work that went into preparing and marshalling the match. The game itself was a thriller and to be rounded off by a fabulous match winner from local boy Mike Coppinger made the whole thing a memorable occasion. This season the FA Cup moves on quickly and we were rewarded with an attractive tie at Staines Town this coming Saturday. We are much looking forward to visiting a "big" ground against a team with an impressive history. It would be great to have as many of you present as possible to support the boys. Last Saturday we travelled to play Hounslow and came away with a deserved point. Hounslow had won their FA Cup match by six goals, and against us they certainly defended soundly. For our part it was a mixed performance. In the first half we were the better side and having scored just before the interval I thought that we would go on to win. But after conceding a goal to an early penalty after the break we couldn’t quite get it together and the game became scrappy. In the end we were indebted to Zack in goal to ensure we came away with that point.

There is a great feel about the club at the moment. We have a go-ahead committee with a new Chairman, we have a new U23 side and exciting developments with the Junior section, and team wise we have three recent graduates from the U18’s featuring in the side. You too can help us! Match, match ball and player sponsorship opportunities are available, and further details can be found in this programme. Follow the example of Bristol based Jon Woozley who attended the Canterbury match and was so impressed he has sponsored three players.

Enjoy the game and see you on Saturday at Staines.

Good evening and welcome to our home here at the Spectrum for this Combined Counties League match with Abbey Rangers. I’d like to wish a warm welcome to Mike and Paul and their staff, players and all their supporters.

Well it’s been a week since the FA cup game against Canterbury. What a night it was. A real thrilling cup tie. The support on the night was breathtaking to be honest and made me immensely proud. For this I can only thank you the supporters as your really did rally us and help us get over the line. We have to talk about the winner though. A local boy with his family in the crowd, scoring a goal like that. It is a genuinely what dreams are made of moment. So full credit to young Mikey. On Saturday we made the trip to Bedfont to play CB Hounslow. It’s always tough playing CB as they work so hard and are very well coached. I was disappointed not to get all three points, but a draw away from home is a solid start and it was good to see Andre get off the mark with a brilliant strike.

I’m delighted to welcome Tiffany Weedon as our new physio. Tiff is fantastically experienced and will really assist me and the boys. I’d like to thank Callie for all of her help during her time with us and we wish her well. Let’s really try and build the support within the town. Tell a friend. Bring a friend. Let’s go make some noise. Enjoy the game.

Enjoy the game

Our **Match Sponsor**'s this evening are Eddie & Ros Russell. Eddie and Ros are longstanding City supporters and committee members who after many years stepped down from their roles with the aim of moving away to their retirement home. As recognition of their sterling efforts both Eddie and Ros have been made club Life Vice-Presidents. Both Eddie and Ros are pictured with the CCL Championship trophy after our title win in 2011.

Our **Match Ball Sponsor** today is another longstanding supporter Brian Holt. If each of today’s sponsors added together their years supporting Guildford it would easily pass 100 years. Brian was a regular at Joseph’s Road and still now travels to support the lads home and away.

We are very appreciative of Eddie, Ros’s, and Brian’s support!
Abbey Rangers were established in 1976, initially as a youth club for boys aged 7-16, and taking its name from the historic Chertsey Abbey. The initial years the club had a rather nomadic existence having to use various home grounds within Chertsey and Addlestone but, as the club grew in size, it became clear that the club needed to plant it’s roots and were able to do so when we established a home on the old Meads school playing fields now known as Addlestone Moor.

The club became members of the Surrey & Hants Border League under the management of Les Chatfield and Bob Thorpe winning Division One in 2004-05. After winning the league, League Cup and County Cup in 2007-08 the decision was taken to move to Saturdays and entered the Guildford and Woking Alliance League winning Division 2 in the 1st season. The following season saw the club pick up another treble including another County Cup. The following season (2010-11) we joined the Surrey County Intermediate League (Western) and finished runners up in Division One. That meant promotion to the Premier Division and finished runners up which meant promotion to the Surrey Elite Intermediate League. We were also County Cup runners up. We remained in the league until 2014-15 winning the Intermediate League cup in 2014 and another County Cup final appearance in 2015 losing out to Horsley.

In 2015 the club invested in the ground with a view to entering the Combined Counties League and, after finishing 4th in the Surrey Elite League we were accepted for the 2015-16 season which also allowed us to enter the FA Vase. Our 1st season in the Vase saw us clock some miles up but we reached the 2nd round proper before losing to Newport (IOW) in extra time. After a slow start to the league programme we finished the season on an unbeaten 18 game run that saw us grab 3rd place and with it, promotion to the Premier Division at the 1st attempt. In 2016-17 there were new faces at the helm as Les Chatfield & Bob Thorpes impressive reign came to an end and they handed the stewardship over to Mike Woolgar & Paul Johnson. This season saw the clubs 1st foray in the FA Cup but lost out to a good Thame United side. Another run in the FA Vase saw us go a round further than the previous season losing out to Eastbourne Town. The final league table saw us achieve a top 10 finish although, but for a stuttering end of season, we could easily have finished higher.

Season 2018-19 has seen the club reach new levels by reaching the last 16 in the FA Vase before losing out to Cray Valley (PM) as well as the semi-finals of the CCL Premier Cup. We also achieved our highest league position finishing in 3rd place. 2019-20 season saw us embark on an FA Cup run that saw us reach the 3rd Qualifying round defeating 2 step 4 clubs on the way in East Grinstead and Whitehawk before bowing out to Whyteleafe in the 3rd qualifying round.
They often talk about the ‘magic of the FA Cup’ and last week the Spectrum had a reminder of what that really meant. A huge amount of work and planning had gone on behind the scenes to get the ground ready for a ‘socially distanced’ match and we were rewarded with a capacity, all-ticket, crowd. Having been starved of live sport for the best part of six months this game was worth waiting for, as both teams served up a thriller in a skilful and hard fought tie that was played in good spirits throughout.

Just six days earlier the club had arranged a fixture between our newly formed U23’s and the senior side which, due to horrendous downpours, only went ahead at the last minute. One of the U23’s made an impression and was drafted into the first team squad on the Saturday for the game at Godalming. In what was a disappointing performance overall, Mike Coppinger (pictured) made his first senior team debut at the age of 20 and made a huge impression with his 25 minute cameo performance, so much so that he warranted a starting position in last Wednesday’s FA Cup tie versus Canterbury City.

In a team performance which was a vast improvement on anything we had seen pre-season, Mike was one of the stand-out players and capped off his home competitive debut with a stunning solo effort, showing strength, poise and guile to steer the ball into the bottom corner for what turned out to be the match winner in a 3-2 victory. An exhausted Mike was eventually substituted in the 85th minute to a rapturous standing ovation from the home crowd and the man-of-match award. What a night for the young man and whatever he goes on to achieve in his playing career and in life, I am certain that last Wednesday night will be a moment he will treasure forever.

So, onto Saturday and a trip to CB Hounslow who at the moment are playing at the excellent Bedfont Sports facility. We were the better side in the first half with Cyril and Athan threatening down both wings and we played good football in patches without ever dominating. We deservedly took the lead just before half-time when Andre Smith fired into the bottom corner from just outside of the box. Sadly we never really got going in the second half and lost the lead when Hounslow scored from the penalty spot. A disjointed performance meant we rarely threatened and ultimately we were indebted to an outstanding double save from Zak Basey just before full time to take a share of the points. You can definitely see the potential within this squad but we just haven’t quite gelled as yet. However, we lost at CB Hounslow last season and so a point represents progress.

Molesey FC: In a bombshell on the eve of the season Molesey dismissed their first team manager Craig Lewington. As a result the majority of the playing squad departed the club leaving a mix and make up squad to face Southall in the FA Cup; a game that was lost 7-1. Ex-manager Lewington and forward Reis Stanislaus has since signed playing forms for Guildford City.

CB Hounslow United FC: Owing to a ban on watering their pitch over the summer Hounslow’s Green Lane pitch is not yet fit for match play. The CCL has given dispensation for their first three home fixtures to be played on the 3G at Bedfont Sports.

Redhill FC: On 26 August the club made the following statement. “We have received confirmation that one of our First Team players has tested positive today for Covid-19. Following detailed consultation with Public Health England, we are advising those who had close contact with the player in question to self-isolate for the next 14 days. The advice given is that this is limited to Redhill FC management team and players who shared the dressing room. Fixtures will be suspended during this two-week period.

Epsom & Ewell FC: It is 27 years since Epsom & Ewell were forced to leave their West Street home ground. Since then they have played home matches at Banstead Athletic, Merstham and Chipstead. However from this season the club has agreed a new groundshare agreement with Leatherhead FC.

Balham FC: With no promotion and relegation at the end of last season the only change in the CCL make up for this year sees Balham move sideways to play in the Southern Counties League East Premier division. After a season playing with one extra team the CCL Premier division will now have reverted to 20 clubs.

Promotion and Relegation this season: Assuming this season reaches a conclusion the following will happen: Promotion - The 14 step 5 champions will all be promoted (14). The second and third placed teams in the North West Counties League, Northern League and Northern Counties East League will all be promoted (20). The four best (by points per game) second placed teams from the rest of the step 5 divisions (including Combined Counties) will also be promoted (24). The remaining seven second placed clubs will play off against one of the seven clubs that finished bottom of a step 4 league in a winner takes all one-off game. Relegation - The clubs finishing at the bottom of each Step 5 division will be ranked on a points per game basis and the 12 lowest in the 14 divisions will be relegated to Step 6, i.e. two will escape relegation.

Guildford City (2) 3, Canterbury City (1) 2
by Barry Underwood

Guildford eventually came out on top in an FA Cup thriller at the Spectrum on Wednesday evening. In a match played in front of a Covid capacity crowd of 150, the visitors were fast out of the blocks and forced several early corners. Twice frustratingly for the visitors they hit the woodwork in those fruitful first 15 minutes. Perhaps this was a wake-up call which sparked City into action. Slowly Guildford’s speedy wing men Cyril Ocansey and Athan Smith-Joseph made inroads down the flanks. From one such move Ocansey cut in from the left forcing the Canterbury keeper Charlie Wealands to smother the ball at the striker’s feet. On the half hour City opened the scoring. Jamie Higgins pass was sublimely flicked by Andre Smith into Cyril Ocansey’s path and through on goal he made no mistake from 15 yards. Five minutes later youth team graduate Mike Coppinger slid Athan Smith-Joseph into space and again the low shot beat the keeper. Thoughts of a healthy half-time lead was thwarted in first-half stoppage time when Canterbury scored to bring themselves back into the game. The goal coming from a well-judged lob by Adam Woolcott.

Guildford should have regained their two-goal lead just after the restart. The impressive Mike Coppinger’s effort was parried by Wealands, and Andre Smith will be fretting on how he managed to lift the rebound over the bar. A short while later Smith squared the ball to an unmarked Cyril Ocansey. But caught off balance his shot was well saved by Wealands. As play went from end to end the result was still very much in question. On 76 minutes Canterbury equalised through their skipper Danny Keyte following a corner, and the prospect of a penalty shoot-out loomed. But Mike Coppinger thought differently. Collecting the ball 30 yards out from goal he drove forward and as he entered the box he looked up and placed a sublime effort beyond the keeper’s despairing dive. There were nerves certainly as the minutes ticked down, and City keeper Zack Basy had to save well with his feet in stoppage time. Guildford had a late chance to wrap things up when Andre Smith stumbled through on goal. With Smith trying to keep his feet three City players vied for whom should shoot. When the shot came Wealands again saved. But seconds later the end came and now City visit Staines Town in the next round on 12 September.

CB Hounslow United (0) 1, Guildford City (1) 1
by Barry Underwood

Guildford City opened their league season at Hatton Road with a hard-earned point against CB Hounslow. Both sides came into the match off the back of FA Cup victories and with a resulting air of confidence. Guildford opened slowly as both sides sparred with each other in the early minutes. In the opening stages Athan Smith-Joseph – who saw a lot of the ball in the first period – pulled a ball back from the by-line but his cross was intercepted by Sam Bersey in the home goal. For the home side a half volley from distance saw Zack Basey save comfortably. Approaching the half hour Zack Basey saved well at the expense of a corner, whilst minutes later Andre Smith’s free kick missed the goal frame by inches. As the half progressed City took a hold on proceedings and enjoyed good possession. Cyril Ocansey had been starved of the ball on the right. But on 36 minutes he escaped the clutches of the defence but his powerful cross was volleyed over by Andre Smith. Minutes before the interval Guildford took a deserved lead. Andre Smith dispossessed a defender and his low effort from 20 yards crept just inside the post.

Adam Merchant pointed to the spot and the penalty was driven home. Loss of their lead early in the half seemed to put City on the back foot. Play became scrappy and although the visitors found good attacking positions, they couldn’t fashion a clear opening. Zack Basey saved well on the hour while Cyril Ocansey curled a shot wide, and Jordan Cavender’s effort at full stretch was saved by Bersey at the near post. The final ten minutes became stop start with numerous fouls on both sides. In the final moments Zack Basey made an excellent double save to ensure City took a share of the spoils. With virtually the last kick Nemo Adams was shown a second yellow card which was enough to book his early place in the shower.

As so often the opening period of the second half plays a big part in defining the result of a match. And so it proved on this occasion. Chances to clear were missed and in a tussle on the edge of the box Luke Beale was adjudged to have taken the man and not the ball. Referee

GOAL BOUNCE BACK TO FORM

GUILDFORD CITY (2) 3, CHELMSFORD CITY 0
Bennett, Vafiadis, Barrett    Attendance: 2,822

GUILDFORD are still searching earnestly for their silver lining but they made progress in their quest with a spirited display against a rugged Chelmsford at Josephs Road on Saturday. Stevens and Barrett were again in sympathy as they bounced back to form in this ill-tempered clash.

City kept their heads splendidly amid a welter of petty and, at times, vicious fouls by Chelmsford. The visitors were disappointing and looked a frustrated combination literally fighting their way out of a bad patch.

This is a season of revolt—the game is going through a period of dreadful uncertainty—and yet another player succumbed to mutinous behaviour on Saturday. Chelmsford's Ron Smillie received his marching orders in the 56th minute after appearing to throw a punch at City's left-winger Seth Vafiadis. Smillie had earlier been warned by the referee after a foul on Barrett.

As so often happens Guildford unaccountably failed to press home their advantage against the depleted visitors.

But Guildford's biggest crowd, which included former England and Surrey cricketer Alec Bedser, for many weeks, had earlier welcomed the zest and confidence of a team riding on the tide of success. Dave Barrett's 75th minute goal—the inside forward evaded a late challenge to crash the ball home—sealed the fate of Chelmsford and jolted the visitors' championship hopes.

Guildford coasted through to their first league win at home since the beginning of November. It was well deserved.

Peter Sillett resumed as captain in place of Andy Porter and Bennett retained the berth to leave Ray waiting for a recall duty.

Both teams moved the ball and holding the goal, but the danger appeared to have been cleared. Perseverance indeed!

The Chelmsford goal was under pressure on the resumption and Medlock first beat down a Bennett shot and then completed the save as Stevens challenged.

A reverse pass by Nicholas gave Austin a chance at the other end, but the wing-half drove the ball into the side-netting. A furious melee in the Chelmsford goalmouth ended with Massey shooting over the bar.

Then followed a nasty incident in midfield in the 56th minute. The referee, Mr. Holland of Oxford, was surrounded by protesting Chelmsford players after a clash between Smillie and Vafiadis and it seemed to be taking the Ford forward's name in vain.

A weak refereeing performance by Mr. J. C. Mitchell and play accommodated by visiting players in a Southern League fixture, was another black mark.

Surely it is time for the Football Association to move something to prevent such incidents from recurring.
"Wonderful job, great team and excellent management"

Excellent service, very attentive and the work was done very quickly."
